

Jethro Tull – Cheap Day's Return

JamesB: Here's another one if you'd like it for nevada.edu
We still can't post to newsgroups from here so I'm just sending it to
you. Thanks Andy

Here is my best guess on Cheap Day Return. I picked it out about 10 years ago and haven't changed the way I play it since. There are TWO GUITARS THROUGHOUT SOME OF THE SONG AND SOME IMPROVISATION WAS called for in order to make it sound fuller with only one guitar. Any suggestions for improvement will be appreciated. The strumming picking style used necessitated some liberalization on my part. But for the most part it's relatively close.

Cheap Day Return

Capo 7th fret and ignore the notes on the left.

I'm not real sure about the chord in the ending. The Bm may not be correct.
